

# KIDZ CHOICE CHARTER SCHOOL DISCIPLINE PLAN –SCHOOL WIDE 2017-2018

## DISCIPLINE MATRIX By BROWARD COUNTY PUBLIC SCHOOL

### WHAT IS THE DISCIPLINE MATRIX?

The Discipline Matrix is a tool for administrators to respond appropriately when students have committed serious violations, per the Code of Student Conduct. This tool is designed to offer consistency at all levels across the District so that students are disciplined fairly from school to school when their behavior requires punishment beyond the classroom. There are two different versions of the Matrix: One to assign consequences to [elementary students](#) (pdf) (grades K-5) and one to assign consequences to [secondary students](#) (pdf) (grades 6-12).

The Discipline Matrix does not apply to classroom management as assigned by the teacher but rather as a progressive step when a student has broken the rules requiring a principal and/or his designee to assign consequences. While continuous disregard for classroom rules will almost always be referred to an administrator, certain violations of the rules, e.g. weapon possession, assault, sexual harassment, require initial administrative action.

Before apply any consequences identified on this Behavior Matrix, [teachers at Kidz Choice Charter](#) MUST follow R.O.C.K.S. behavior internal model and maintain documentation of all offenses and contacts made. Only in specific cases, (identified in the matrix), administrator will respond appropriately to these cases. For more information about the Discipline Matrix , visit our school website.

Thank you for your cooperation.
